Lesbian, Gay, Bisexual, Transgender Education and Support Services

Please bring the completed form, and supplemental questions to 164 Oregon Hall by 5pm, June 6th.

Name: ____________________________

University or Local Address: ________________________________________________________________

Email: ____________________________  Phone: ____________________________

Terms as an enrolled student: _______________________________________________________________

Intended major or Academic Focus: __________________________________________________________

Team Benefits
• Opportunities to get involved in idea generation & all stages of planning
• Leadership & resume building opportunities
• Opportunities to get to know other dedicated students within the LGBTQIA community
• Outlet to work and connect with youth

Team Responsibilities
• Positively represent the University of Oregon and LGBTESSP
• Tabling events to ensure students are aware of campus resources (a large portion of tabling happens at Week of Welcome September 22–28, 2014). OUTreach members must be available for these days.
• Commit to a minimum of 10 hours/month during the 2014-2015 school year.
• Attend all regular/weekly Team meetings
• Serve as a liaison between the OUTreach Team and an assigned High School GSA and campus organization by leading a Team visit at their meeting and maintaining a relationship throughout the year.

Mission
The mission of the OUTreach Team through the LGBTESSP is to engage and empower lesbian, gay, bisexual, transgender, queer, and questioning students at the University of Oregon. OUTreach aims to introduce and invite students to campus programs related to the retention, well-being, and academic success of LGBTQI students.

Respond to the following prompts:

1. Please list your non-class time commitments for the 2014-2015 school year:

2. Please describe your interest in the OUTreach Program and your goals as a team member.

3. Scenario: Think back to a difficult experience within a community. How would you use your knowledge of that experience to promote empowerment and support in a high school or campus organization?

For more information about the group please go to http://lgbt.uoregon.edu/GetInvolved/StudentLeadership.aspx#outreach or contact the OUTreach Coordinator at uooutreach@uoregon.edu.
